## FOUR LOVES - Unpacking the Freedom Church Liverpool values

### 1. Loving God

When he was asked what the most important commandment was to follow, Jesus was clear that it was this:

"To love the Lord your God with all your heart and with all your soul and with all your mind"

At Freedom Church we place primary emphasis on our relationship with God. Everything we do is centred on our love for Him, and our primary purpose in life is to bring Him glory and know

Him more deeply. To that end, we place huge emphasis on the Bible - God's word for us - and the Holy Spirit - God's presence with us.

## **2. Loving One Another**

The second most important commandment Jesus identified was to "[Love your neighbour as yourself](#)". At Freedom Church, we are seeking to build a community which echoes that of the [Early Church in the book of Acts](#). There, people shared all that they had with each other, eating, studying, praying and worshipping together regularly, and living lives that were sold out for God. We seek to love, care for and support each other in all that we do.

## **3. Loving Liverpool**

We love Liverpool - and there's so much to love in this great city! We want to be a church that blesses this city - sharing in its highs, and ministering in its lows. We believe God has called us here because HE loves Liverpool, and we want Him to be known by all here.

## **4. Loving Nations**

Finally, Jesus calls us all to take his message of good news and to "make disciples of all nations". In other words, he wants all people across the world to hear about him and have the opportunity to respond to him. We want to play our part in that, participating in mission and ministry wherever God calls us, and releasing people to take the Gospel far and wide.

We also know that Liverpool is a diverse, multicultural city, and we want to welcome in people from all backgrounds to be part of our community, to join us in Living Free.
